Illuminate a wall with colour or create beautiful indirect lighting effects with this sleekly designed Wandie from LUTEC. Thanks to the many white tones, you can also use it as functional lighting in your hobby corner. On the head of the lamp a touch press button allows to switch on/off but also get main CCT and colours light effect. The neon part can be removed from its stand to be used behind a TV, a furniture or a sofa in order to provide ambient light.
