

# stag

## spot light

Use the black or white Stag surface-mounted spotlight for various white tones and more than 16 million colours in all areas of your home. Wireless control with the Bluetooth app. The Stag combines a resolutely modern design with maximum lifespan. The GU10 bulb allows you to adjust the intensity the brightness as well as the color temperature. Romantic, soothing, or simply functional, this luminaire can be placed in several copies on the sides of a large room, or even to create a more original path.
